## The New Transcendent Lamps

of 500, 1000, and 1500 C. P.  
\$50,000 annually are paid by the People of Honolulu for Electric Lights; of this amount \$55,000 can be saved. As much light as that of an Electric Arc and of a far better quality at a cost of less than 1/4c. per hour. One 16 C. P. incandescent Electric bulb costs more per hour than one 500 candle power Transcendent Arc. The Transcendent system of incandescent petroleum lighting is very simple, easily cared for and inexpensive to install. Passed by the Board of Underwriters : :  
No merchant would pay twice as much rent as necessary. Why will he pay ten times as much for light? We refer by permission to Elite Ice Cream Parlors, also to the Hollister Drug Co., Honolulu Drug Co. and the Hawaiian Hotel, where the light can be seen. Lights of all styles can be seen. Information and details will be gladly given at the office of
